

FOSSIL CASTING Phase II (September 2010)

This phase included the advanced training components of the original project. It also included site visits for the trainees to Sterkfontein and Maropeng, thus providing participants with a first hand view as to the value of fossil casting.

Funding	:	USA Embassy
Location	:	Wits University, Maropeng, Krugersdorp
Partnerships	:	Wits University and USA Embassy
Deliverables	:	15 Participants learned the value of fossils in our heritage and the importance of heritage sites

Participants were able to appreciate the economic value to be gained from expertise in the related fields.
